Dear Aunt Helen & Uncle Walter,

How are all of the Powells? I can imagine that you are all fairly busy at this time of the year.

I've been doing fine, I've been working all over South Central Pennsylvania jumping from job to job. I'm currently working a Redevelopment job in Alexandria with concrete patching, curb, and sidewalk. I've moved from Roaring Spring to Huntingdon Pa., I feel so much more at home here, having spent 14 years here.

I have some real good news to let you in on, I'm getting Married on the 25th of Sept. I think that I have written to you about her before,
